The mission of the Levy County Tobacco-Free Partnership is to promote tobacco-free social norms through education, advocacy, and system or policy change in order to prevent usage of tobacco products by youth/young adults, encourage and support tobacco cessation, eliminate health hazards of secondhand smoke, and decrease the number of deaths due to tobacco products.

Tobacco-free Partnership Goals for Levy County:

- **Prevent Initiation of Tobacco Use Among Youth/Young Adults**
 - Reduce smokeless tobacco use among youth and young adults in Levy County – focus on tobacco free community events.
 - Counteract tobacco product marketing at the retail point of sale in Levy County – Counter Tools Program.
- **Eliminate Nonsmoker’s Exposure to Secondhand and Thirdhand Smoke**
 - Create smoke-free environments other than housing – focus on tobacco free daycare facilities in Levy County.
- **Promote Quitting Among Florida’s Youth and Adults**
 - Create tobacco free worksites in Levy County.
 - Promote Florida’s 3 Ways to Quit to the residents of Levy County.
